PREFACE

Pt. J.L.N. College, a post-graduate college, located at the heart of Banda city is a reputed and prestigious Higher Education centre of Uttar Pradesh, where education and knowledge is imparted in Arts, Science and Teacher Education. The logo of the College bears the thought “स्वस्ति पन्थामनुवस्म” meaning “May the chosen path be the right one full of pleasure leading to the state of euphoria”. The streams of the studies were selected as arts and science for the reason that both of these are human ventures which are beyond caste, creed, class, religion, nationality, sex etc. and leave an impact on the society, the nation and the civilization as a whole. Moreover, if the art is the result of the natural pursuits of the human activities, then, the science is the collective intellectual effort done by the rational human beings to understand all the aspects of the virtual as well as the real world in the mirror of hypothesis by experimenting the concepts.

The College celebrated its golden jubilee last year on completion of its glorious fifty years with great enthusiasm. The day-night Function was celebrated from 20-22 December 2014 continuously for three days. Along with vivid programmes main attractions were- a musical evening with famous lyricist and music director Shree Ravindra Jain, All India Kavi Sammelan and lastly a cultural night. The Function earned national fame as it caught the attention of Ministry of Culture, Government of India and National Doordarshan. Its report was telecasted by National Doordarshan channel (DD1) on 25th January 2015 on the eve of the Republic Day Parade.

Weaknesses- Because of the vacant posts of the professors being not filled permanently, the College and the students are suffering.

Opportunities- Through two year B.Ed. course better and empowered teachers' lot would be available to the society and the nation to serve in better and dedicated way.

Challenges- Reestablishing lost confidence of society in the teaching professionals is an upheaval task. To overcome and mend the negative views of the society about our students/scholars formed on the basis of malpractices of institutes running under S.F.S. (Self Finance Scheme) is too is a big worry.
